ASSIGNMENT AND RELEASE

Authorization to treat and release information to insurance carrier for direct payment to the provider: I authorize treatment and the release of any medical information (acquired in my treatment) to process claims to my insurance carrier. I authorize direct payment from my insurance company to my provider. At any time should I decide that I want to file my own claims, I understand that payment in full will be required at the time of service. I also understand that I will be financially responsible for all charges incurred. In the event it becomes necessary to collect the amount due on my account by legal litigation, the handling fees, service charges or court costs will be paid by the guarantor listed above, which could include a 25% collection fee. In order to prevent the application of the above, fees should be paid timely upon completion of rendered services. I authorize the release of medical records to Nephrology and Hypertension Medical Associates PC as necessary for continuity of care. Also, I understand that the practice will provide, at my request, a copy of the HIPAA Notice of Privacy, which is clearly posted in the lobby area.

Financial Policy Statement

It is our firm belief that all patients who come to this office expect and deserve quality medical care. In order for us to provide this level of service, it is important that our patients understand our financial policies. Therefore, we are asking that you read and sign the following important information:

1. We are “providers” for many insurance plans. If we are a participating provider in your plan, we will be listed in your group’s “provider list” or “preferred provider” directory. We will bill your insurance company directly and receive payment from them directly. Most plans require a “co-payment” per visit and/or have yearly “deductibles”. Some plans require you to pay a 20% co-payment when diagnostic tests are provided. We require that co-payments and/or deductibles be paid at the time you receive services.
2. If your insurance requires referral approval, necessary documentation is your responsibility. You must give your referral form and/or number to the receptionist when you check in to see the doctor. (Referral information is required before you see the doctor). If your insurance company does not pay your bill because of improper referrals, you will be responsible for the full bill.
3. If your insurance information is up-to-date, we will file up to two separate insurance claim forms for services you receive. It is your responsibility to tell us about changes in your insurance plan. These forms are processed on a daily basis and are sent to your insurance company. We are happy to help you by submitting insurance claims. It is important to remember that your insurance coverage is a contract between you and your insurance company. Although we file claims for you, you are still responsible for your bill, regardless of the amount your insurance company pays, except in cases of pre-negotiated insurance agreements and where legally prohibited.
4. **If you do not have insurance, payment is expected at the time you receive services. Payment will be accepted in cash, by check or credit card. If check is returned for non-sufficient funds, an additional service fee of \$30.00 will be added to the patient’s account. If payment in full is not possible at the time of service, arrangements must be made through our billing office.**
5. Please remember when you receive your statement, you have already received health care from our physicians and we have initiated your insurance claim. We ask that you promptly pay in full your portion of the balance due.
6. If we do not receive notification that you are unable to make this appointment **at least 48 hours prior** to the scheduled appointment, you will be charged a \$50.00 No Show/Cancellation Fee.

We hope this Statement of Financial Policy helps you understand the importance of prompt payment of your bill. Please feel free to call our billing office at (912)354-4813 if you have any questions.

I have read the above information and understand that I am responsible for notification for notification of my insurance plan mandates.
